

You will be enrolled in an English class appropriate to your English level. So you can focus on your learning we keep our English classes small. With a maximum of 15 students per class you can learn in a supportive, friendly environment.

We believe that you will learn faster and more effectively if your lessons are engaging, fun and relevant, that's why our teachers use a range of techniques and develop classes that are motivating and build your confidence. This will allow time to focus on any areas of weakness. Our weekly classes focus on the coursebook syllabus and the learning goals and interests of each student in the group.

You will receive 20 hours of tuition including 1 hour personal tutor session per week. In every class you will be given the opportunity to practice speaking English with the class and with the teacher. Each student will receive one personal tuition session a week with an experienced English language teacher to support any individual challenges.
